

Unusual Enrollment History Review 2019-2020

Your 2019-20 Free Application for Federal Student Aid (FAFSA) has been flagged for “Unusual Enrollment History Review” by the U.S. Department of Education because you received Pell Grant funds and/or Federal Direct Loan funds at multiple education institutions during the review period: 2015-16, 2016-17, 2017-18 and 2018-19. The flag requires TSTC to review your enrollment history and determine whether or not you are enrolling only long enough to receive cash refunds of federal student aid. In the process of reviewing your enrollment history, TSTC will check the National Student Loan Data System (NSLDS) to obtain a complete history: the name of institutions you have attended, and the dates of attendance.

Please complete the steps below. Your application for financial aid will not be considered until you submit this completed form and required documentation. You will be notified via email of our decision.
